Affiliated: DDU Gorakhpur University, Gorakhpur

Disability Inclusion in Education at SJCW, Gorakhpur

(Based on the Decisions taken in the management committee of SJCW on 17 September 2019)

SJCW has disability-friendly infrastructures and barrier-free environments designed to support and encourage all the students with disabilities to excel in education and to integrate them fully to the mainstream society.

Disability-inclusive education systems and policies at SJCW assist in creating barrier-free access to all the services and facilities for students with disabilities, and provide equal opportunity to fully participate in all aspects of the educational environment.

Disability-friendly classrooms, washrooms, library, and college premises are examples of the structural modifications that are made to purposely include students with disabilities at SJCW.

In addition to having disability-friendly physical environments at SJCW such as ramps, handrails and the institution also has disability-inclusive educational policies and discrimination-free academic environments by having appointed trained teachers (or special teachers) who assist students with disabilities to accomplish their academic dreams (or dreams in life) while taking into account their special needs, by organizing disability-friendly programs/events on a regular basis, by providing equal opportunities in curricular and extra-curricular activities, and by making no-discrimination at any levels on the basis of disabilities including at the time of admission to any of the courses offered, or while recruiting as staff at SJCW.

Policies Regarding admission of students

1. Preferential option for differently-abled in the admissions for all the courses
2. Availing Braille facility as per university guidelines
